## EMP

PI9209LP 3 Inch EMP Enhanced Micro Pistol

Get a good look at a whole new class of pistol -- the short-action 1911. The new Springfield Armory 9mm Enhanced Micro Pistol (EMP) is the first production 1911 made from the ground up to shoot short cartridges like 9mm, 40 S&W and 45 GAP. The result? The smallest, most concealable 1911 you can buy.
