SOCOM II

AA9626* Socom 16

Caliber: 7.62x51mm NATO
(.308WIN)

This 16" version of the venerable M1A™ can be an effective close quarters battle rifle or just a great "ranch gun." This rifle has the minimum length barrel for a rifle under federal law. It has a proprietary muzzle brake, tritium front sight and a forward-mounted scope base that is ideal for electronic sights or other accessories.

*For California legal models the part number is AA9626CA.
