

# XD Compact XD9645HCSP06\* 4 Inch Compact Black

COMPACT

Compact Grip

[7.3" Overall Length]

The new 45 is a 4 inch barreled pistol with a shortened grip frame for easier carry. But each gun comes with two magazines. A 10-round compact magazine and a 13-round Service Model magazine with XD Gear X-Tension™. That means a simple change of the magazine converts this 10 + 1 round compact into a 13 + 1 round service model.

\*For California legal models the part number is XD9645SP06.
