Reference your state's laws for the most up-to-date information.

SHALL vs. MAY

A primary distinction among state concealed carry stances lies in how permits are issued. Most states fall under "may issue" or "shall issue," but more states are forgoing the process altogether.*

SHALL ISSUE

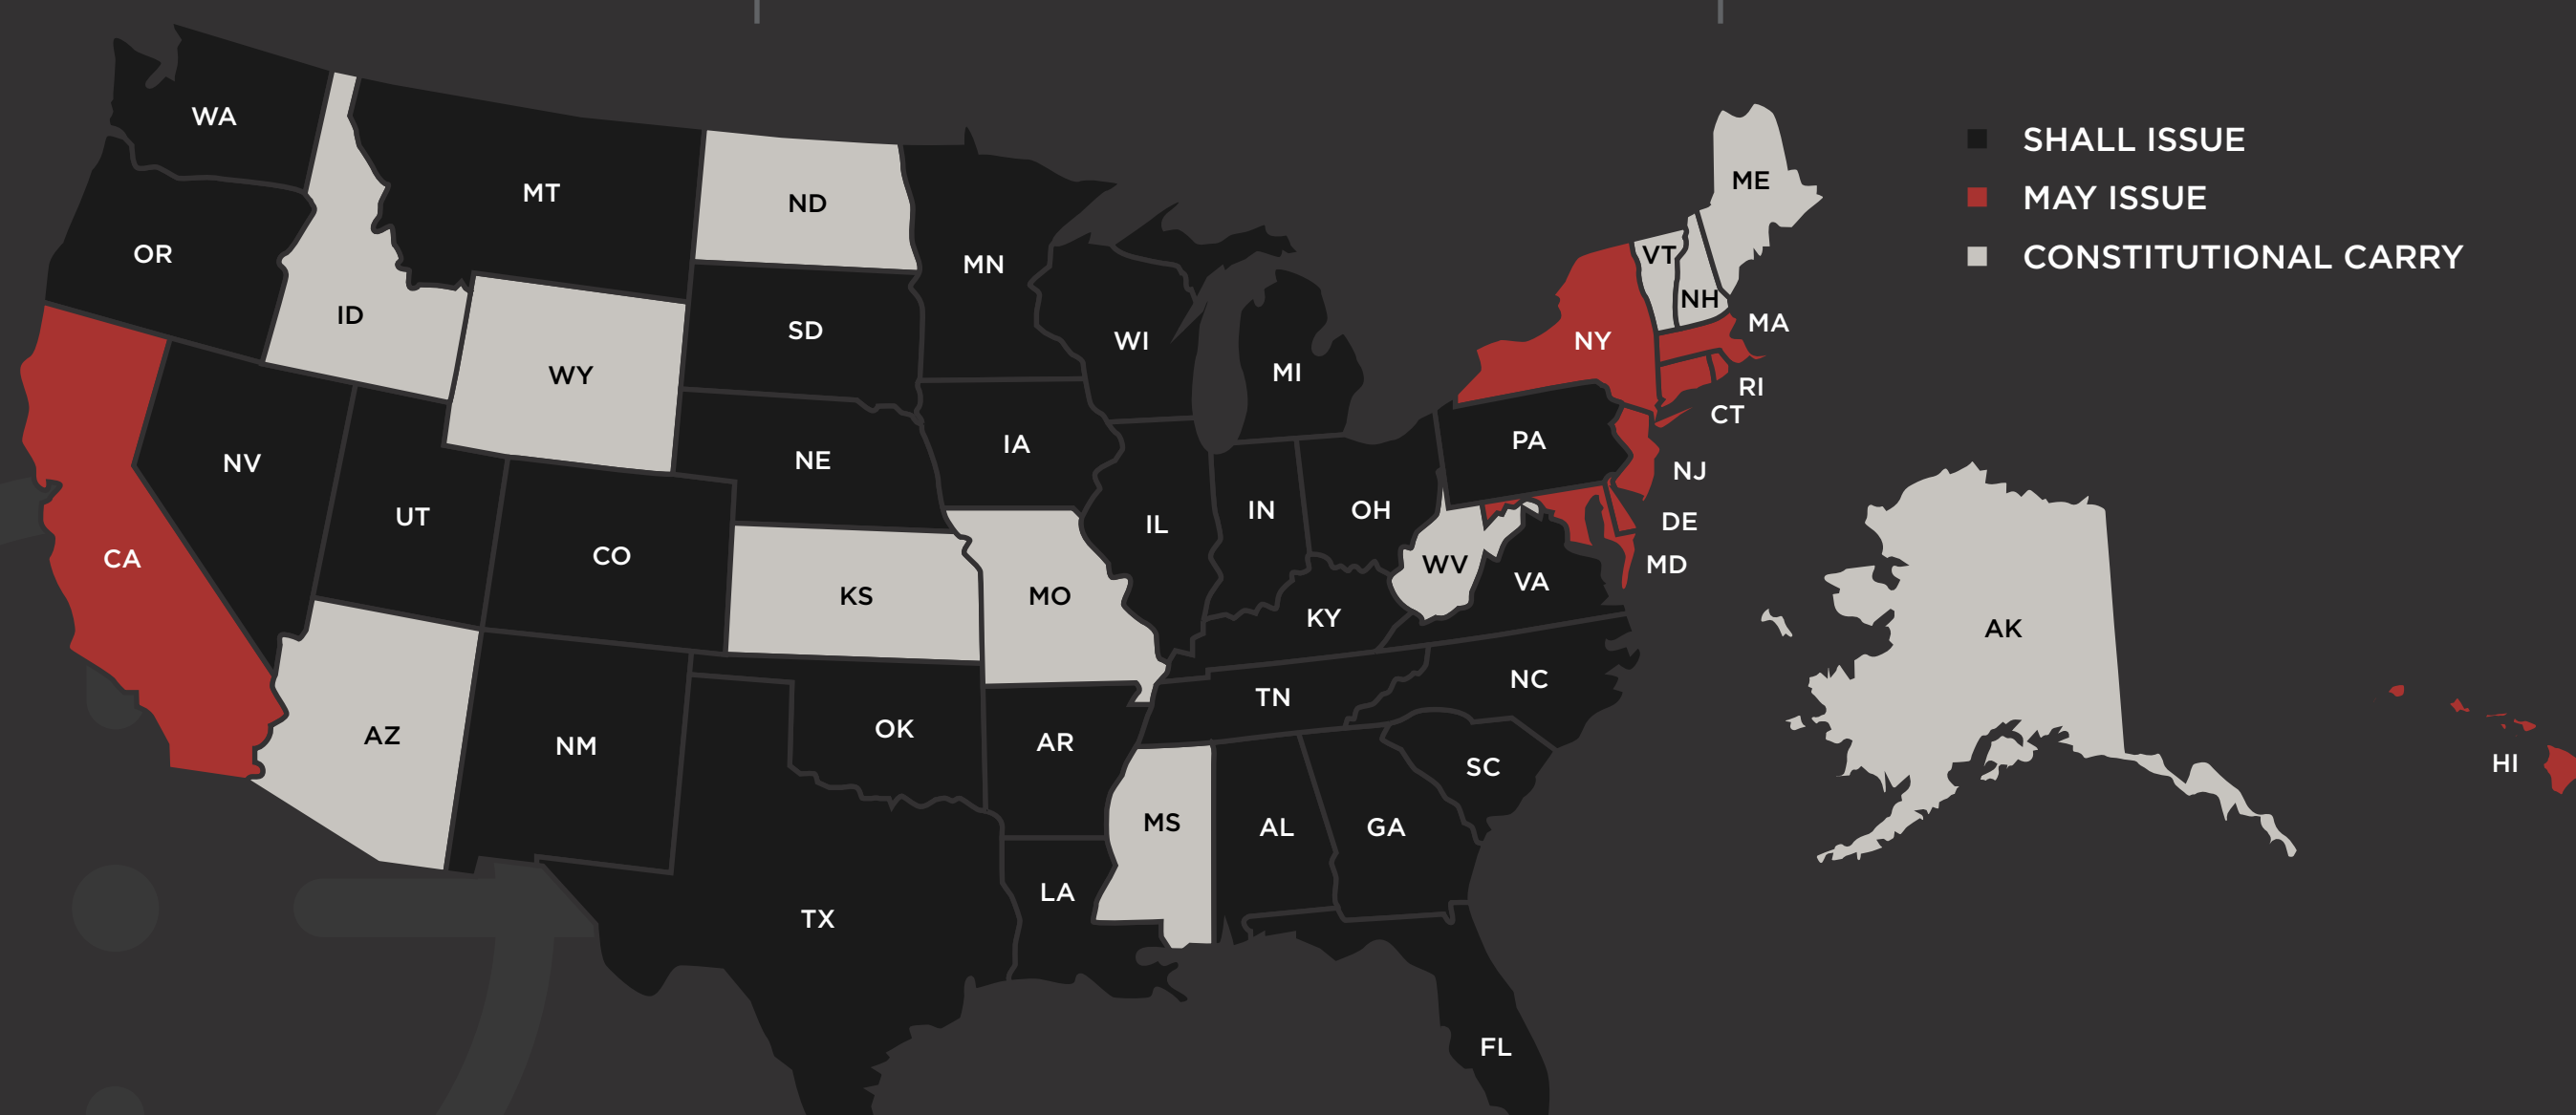

State issues permit if person meets background requirements

MAY ISSUE

State can choose to NOT issue permit even if person meets requirements

CONSTITUTIONAL CARRY

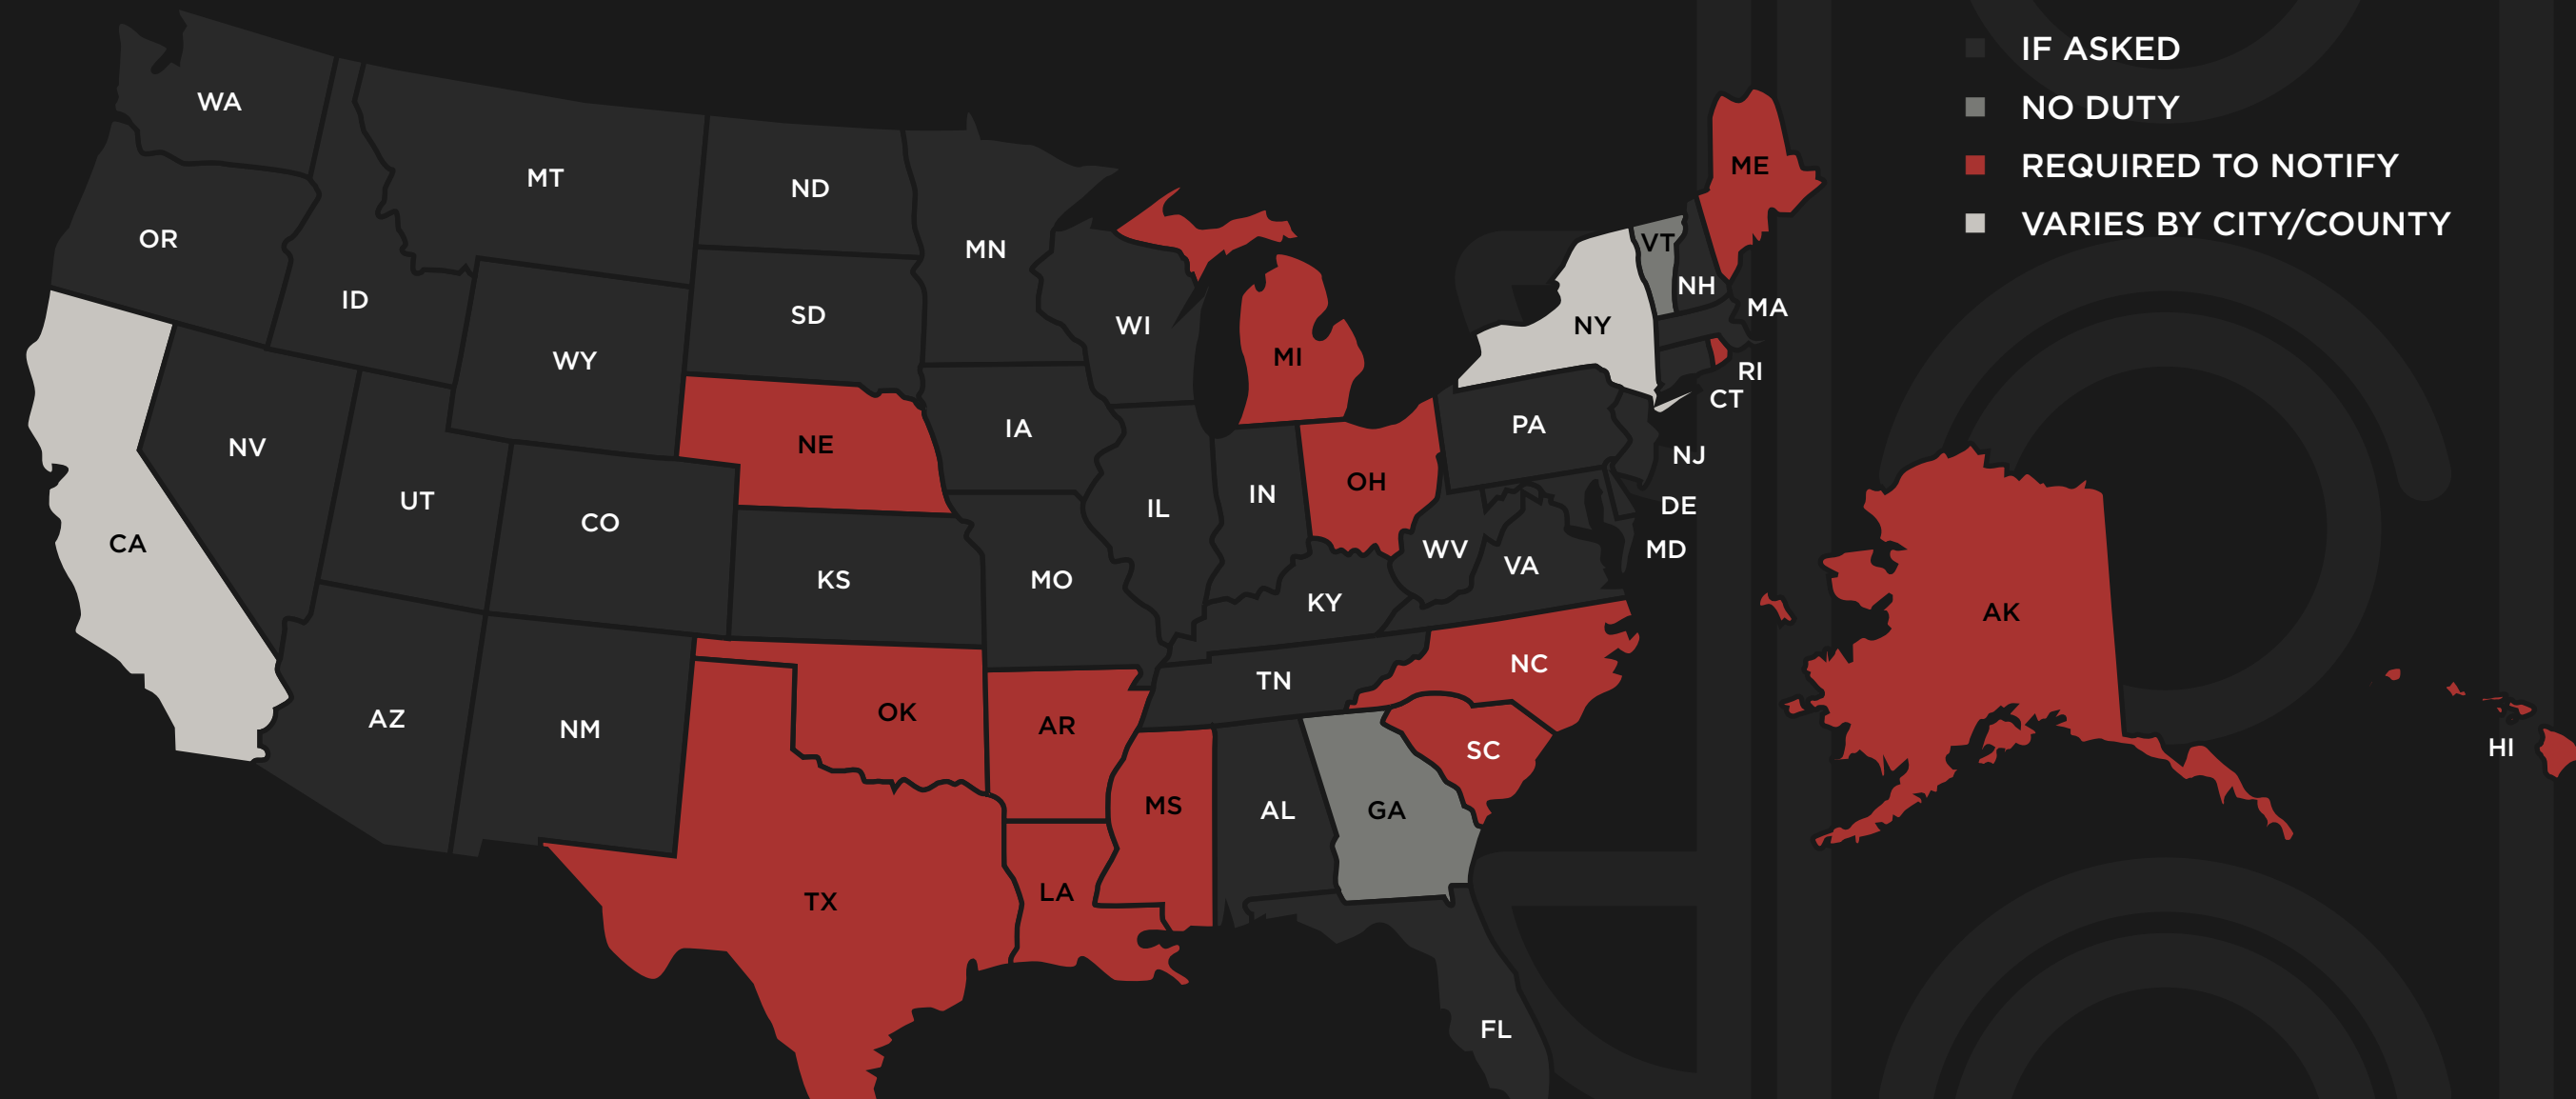

No permit required to conceal carry if firearm is purchased legally

Reference NRAILA.org and your state's laws for the most up-to-date information.

NOTIFICATION IN TRAFFIC STOP

Your rights to notify law enforcement of a permit or gun in a traffic stop varies by state.*

Reference your state's laws for the most up-to-date information.

SPRINGFIELD-ARMORY.COM

*State laws change frequently. Consult YOUR state's laws for before buying or transporting a firearm, or attempting to open or concealed carry a firearm. The information in this infographic is for general information purposes only and should not be relied upon as legal advice. Data is accurate as of July 2017.
